SAGAR VARSHNEY

FRONTEND WEB DEVELOPER(STUDENT)

📞 7535949755   📍 Belon, Uttar Pradesh   ✉ sagarvarshney904@gmail.com

PROFILE

Passionate and creative 2nd-year engineering student with strong foundational knowledge in HTML, CSS, JavaScript, and Python. Experienced in developing frontend web projects. Always eager to learn new technologies and build impactful digital solutions.

EDUCATION

2023 - Present
ABES Institute of Technology, Ghaziabad

Bachelor of Technology
Currently pursuing B.Tech in Computer Science and Engineering with a strong foundation in programming, web development, and software concepts.

2023
Rajni Public School, Dibai

Intermediate(Class 12th)
Successfully completed Intermediate education with Physics, Chemistry, and Mathematics as core subjects. Achieved 88.2 % and laid the groundwork for pursuing a career in Computer Science and Engineering.

2023
Rajni Public School, Dibai

High School (Class 10th)
Completed high school education with a strong academic record. Focused on core subjects including Mathematics and Science. Scored 90 % and developed a disciplined and goal-oriented approach towards studies.

PROJECT EXPERIENCE

2025 – Present
Frontend Developer

Quick Hire
Developed a responsive music streaming web application that mimics the core design and functionality of Spotify. Implemented play/pause, song selection, and progress bar features using JavaScript. Enhanced user interface with smooth animations and a modern layout using HTML and CSS.

2022 - 2023
UI Developer

Spotify Clone Website
Designed and developed a web-based interview simulation platform for job seekers. The platform includes MCQ and subjective rounds with applicant recording. Aimed to help users prepare for real-time interviews with a structured assessment process. Built backend using Flask and frontend with HTML/CSS/JavaScript.
